

## Try Before You Buy. Charter/ Purchase offer for RS Boats and 420's

Sailing Raceboats are pleased to offer a limited number of **brand new** and lightly used 420's and RS boats for a one year minimum charter period, with the option to purchase the boat afterwards at a substantial saving.

### Option 1

Charter an RS Quest, RS Neo, RS Feva, or RS Aero, complete with sails, top cover, foil covers and beach trolley on a one year contract, *including insurance*, for an amazing \$4,500 per year. This equates to \$86.50 per week.

### Option 2

Charter a lightly used RS100, RS200 or International 420 *excluding sails* for \$5,000 per year. Additional rigs and easy load road trailers can be supplied on loan at additional cost.

### Purchase offer

Should you decide to purchase the boat after the charter, we will deduct \$4000 of the charter fee from the purchase price of your boat to be agreed at the start of the hire.

There has never been a better time or easier opportunity to join the 420 and RS classes sailing around the world.
