

RS21

- Standard
- Optiona

Designer	Richards / Whitehouse / RS Sailing	
Length	6.34m (20'11")	●
Beam	2.20m (7'3")	●
Draught	1.38m (4'6")	●
Displacement	590kg (1,300lbs)	●
Hull construction	Eco-friendly composite	●
Keel	Lifting – with bulb	●
Rudder	Removable – composite	●
Mainsail area – Race	16.2m ² (175ft ²)	○
Jib area – Race	7.7m ² (83ft ²)	○
Gennaker area – Race	35m ² (377ft ²)	●
Mainsail area – Club	16.2m ² (175ft ²)	●
Jib area – Club	7.7m ² (83ft ²)	●

Gennaker area – Club	25m ² (269ft ²)	<input type="radio"/>
Spinnaker area – Club	25m ² (269ft ²)	<input type="radio"/>
Mast	Two-part carbon composite	<input checked="" type="radio"/>
Shrouds & forestay	Stainless steel wire	<input checked="" type="radio"/>
Halyards – Main, jib, gennaker	Dyneema/polyester	<input checked="" type="radio"/>
Boom	Aluminium alloy	<input checked="" type="radio"/>
Bowsprit	Carbon composite	<input checked="" type="radio"/>
Deck stowage hatch		<input checked="" type="radio"/>
Gennaker bag		<input checked="" type="radio"/>
Mooring eyes x 3		<input checked="" type="radio"/>
Sheets – Main, jib, gennaker		<input checked="" type="radio"/>
Vang/cunningham/outhaul		<input checked="" type="radio"/>
Mainsail slab reefing		<input checked="" type="radio"/>
Installed data logger for cloud community		<input checked="" type="radio"/>
Symmetrical spinnaker & equipment		<input type="radio"/>

Code zero & equipment	<input type="radio"/>
Keel winch	<input type="radio"/>
Electric motor system	<input type="radio"/>
Electronics – speed, depth, etc.	<input type="radio"/>
Cover	<input type="radio"/>
Shore cradle with wheels	<input type="radio"/>
Road trailer	<input type="radio"/>
Warps and fenders pack	<input type="radio"/>
Anchor pack	<input type="radio"/>
